The Sandbox Learning Center has been providing affordable childcare in the Enid Community for many years.

***Sandbox is Enid's only stand alone,
no-profit day care center.***

We accept children as young as six weeks and we pride ourselves on being able to provide quality services at a low rate.

Sandbox strives to give each and every child that enters our doors the best educations possible during these precious years, while meeting their emotional and intellectual needs.

We are a multicultural and bilingual childcare center providing a loving, fun and safe environment.

Sandbox is the only facility of its kind that strives to enhance the quality of life for the
children of low and middle-income families.

The Sandbox Learning Center
is a registered 501(c) 3 tax exempt agency.

***Last year's event raised close to \$4000.00!
Those funds were instrumental to our kitchen remodel
and playground updates.***

The event was fun and something new and exciting for our community. We hope this year we will be able to reach out to more organizations and racers and make it even a larger event than our first year.

WE NEED YOUR SUPPORT!

By offering our low weekly rates to our parents we have enough funds for our daily operations.

To continue to offer lower rates, we seek help from the community and different organizations to cover other expenses that enhance our children's experience.

The extra funding will help with play slots and educational curriculum, outdoor toys to promote physical activity, and computers and software to enhance the children's skills.

The funding also supports different events for our families such as our yearly egg hunt, school supplies for our school age children, family fun days, and parenting classes to our families.

These parenting classes provided by professionals in the community, will go over nutrition, behavior and discipline, blended families and social and emotional development.

The AMAZING, ongoing community support we receive from donors like you have allowed us to continue to meet the needs of more low-income children in our community!

**The Sandbox Learning Center is proud to be a vital,
growing organization in Enid.**

Thank you for your consideration in joining us on this
AMAZING FUNdraising RACE!

Sincerely,
Shannon Hurst, Executive Director

Registration Deadline

July 25, 2016

WHAT: Based on the popular television show, *AMAZING RACE*, two-person teams will race around **downtown Enid, Oklahoma**, solving clues as they make their way through various check points. At each checkpoint teams must complete a task before getting their next clue and move on to the next checkpoint. These checkpoint challenges may test you mentally or physically or might just be downright silly. The first team to complete all of the challenges successfully and cross the finish line is the winner.

Details of the race are kept secret. We can tell you that the race will average between 5 and 6 miles on foot. We anticipate this event to attract serious competitors, marathoners, triathletes, adventure racers and amateurs alike. At the end of the day, racers will have learned a little bit more about Enid, enjoyed an amazing workout and participated as a team while benefiting **Enid's only non-profit day care center**.

WHY: The Amazing FUNdraising Race is a great event, giving participants the chance to challenge themselves both physically and mentally while having a whole lot of fun. But more importantly it is a fundraiser for Enid's only non-profit day care center, The Sandbox Learning Center.

COST: \$100 per team

BONUS FEATURE: RAISE \$500 and win a fast forward to the next challenge of your choice. Make checks payable to Sandbox Learning Center, deadline to register is **July 25, 2016**

Race packets will include two racing bibs, one fanny pack and 2 t-shirts per team. You must wear your race shirt on race day. We recommend you arrive at the STARTING POINT 30 minutes before start. This will give you time to check-in and pin your race bib on your shirt.

ROAD/COURSE RULES: Teams will start together at 7:00pm. NO ROADS WILL BE CLOSED. Please stay on the sidewalk when available and obey all signals and crossings. Please cross only at a signal or stoplight. The course may have steep intersections or uneven terrain. Please be careful and watch your footing. YOUR SAFETY IS YOUR FIRST CONSIDERATION. The race will officially end when all teams have made it to the checkpoints and completed each challenge or have been disqualified by failing to complete a challenge. THE COURSE WILL CLOSE AT 10:00 PM, teams not finishing by 10:00pm will be disqualified. Race participants must be at least 12 years old the day of the race. At least one member of each team must be 21years old. Cell phones are allowed.

CHALLENGES / ROADBLOCKS: Along the race route will be multiple stops, tasks or roadblocks. Your team must complete each challenge to receive your next clue and continue the race. The race representative at each roadblock is in charge and all teams must obey their instructions. They have the authority to make all decisions regarding penalties at their station. They will be instructed to keep the competition fair and to make sure the race runs as smoothly as possible.
